If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise. End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment*. For purposes of this table, the gross notional exposure of an account is the percentage obtained by dividing (i) the sum of (a) the dollar amount of any *borrowings* and (b) the *gross notional value* of all derivatives, by (ii) the regulatory assets under management of the account.

In column 2, provide the dollar amount of *borrowings* for the accounts included in column 1.

In column 3, provide aggregate *gross notional value* of derivatives divided by the aggregate regulatory assets under management of the accounts included in column 1 with respect to each category of derivatives specified in 3(a) through (f).

You may, but are not required to, complete the table with respect to any separately managed account with regulatory assets under management of less than \$10,000,000.

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

			Yes	No
A.	Did you have total assets of \$5 million or more on the last day of your most recent fiscal year?	☐	☒

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Under the governing documents of the private funds, certain co-investors are offered the opportunity to co-invest alongside the Funds in all portfolio transactions. The committed amount of co-invest dollars (which is inclusive of capital subject to recall as estimated by PPC) are not included in regulatory assets under management because no separate advisory relationship is present between PPC and such co-investors in connection with this arrangement. The amount of co-invest assets excluded from regulatory assets under management is \$2,219,967,884 as of December 31, 2025. // In response to Item 5.E, Compensation Arrangements: PPC, its general partners and affiliates are expected to receive certain supplemental fees and compensation with respect to portfolio investments to the extent permissible under the applicable fund governing documents. Please see Form ADV Part 2A Item 5 for additional information about all fees and compensation received by the firm. // In response to Item 6.B.(1), PPC provides non-discretionary sub-advisory services to legacy investment vehicles, trusts and estate planning vehicles for the benefit of certain affiliated investors through the operation of the various underlying portfolio companies. These assets are not included in regulatory assets under management in Item 5 because PPC does not provide continuous and regular supervisory or management services to the legacy investment vehicles, and the operation of the underlying portfolio company investments does not constitute advisory activity to a securities portfolio. Additionally, PPC provides non-discretionary sub-advisory services to the private fund listed in Section 7.B.(2) of Schedule D, the assets of which are also not included in regulatory assets under management. The amount of non-discretionary sub-advisory assets excluded from regulatory assets under management is \$733,591,866 as of December 31, 2025. // PPC has omitted from Section 7.A of Schedule D the general partner of its pooled investment vehicle general partners (ultimate general partner) which was formed for structuring or liability purposes. Additionally, PPC's private funds may make investments through blockers or other similar structures that are formed to facilitate investments for tax, regulatory or other reasons. These entities have not been counted as clients in Items 5 or 9 and have not been separately listed in Section 7.B of Schedule D. Such entities are disregarded for the purposes of the ADV. Also, certain aggregator vehicles that are formed for administrative purposes are not included as clients and their assets are not included in regulatory assets under management. A list of disregarded and omitted entities will be provided to the SEC upon request. // PPC has custody of private fund client assets because its related person serves as the general partners of the funds. Cash and securities for which this related person has custody is included in Item 9.B. Further, Item 9.B excludes uncalled capital that is included in regulatory assets under management in Item 5. // PPC has established a special purpose vehicle ("SPV") to act as the general partner of its private funds. The SPV has not registered with the Commission in reliance on the positions expressed in the ABA No-Action Letter dated December 8, 2005, and affirmed in the ABA No-Action Letter dated January 18, 2012.
