SECTION 5.K.(1) Separately Managed Accounts

After subtracting the amounts reported in Item 5.D.(3)(d)-(f) from your total regulatory assets under management, indicate the approximate percentage of this remaining amount attributable to each of the following categories of assets. If the remaining amount is at least \$10 billion in regulatory assets under management, complete Question (a). If the remaining amount is less than \$10 billion in regulatory assets under management, complete Question (b).

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Item 5.D.(3)(n) includes a separately managed account (SMA) client that remained a client as of 12/31/2025. Due to IARD field population requirements, the Adviser indicated that the RAUM for the SMA was \$1 in order to include this client relationship on the Form ADV even though the actual RAUM for the SMA was zero as of 12/31/2025. The Adviser also retained the disclosures in Item 5.K and Section 5.K.(1) of Schedule D to reflect the investment advisory activity historically associated with the SMA in an effort to comport with the IARD field requirements. The Adviser expects this account to close by the end of fiscal year 2026, but it is still technically a client for Form ADV reporting purposes.
