Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Oaktree's asset management business is indirectly controlled by Oaktree Capital Holdings, LLC ("OCH"). A majority of Oaktree's business is owned by Brookfield Corporation and Brookfield Asset Management Ltd. (collectively, "Brookfield") and the remainder is owned by current and former Oaktree executives and employees, and certain related individuals and entities. Brookfield's ownership interest in Oaktree's business is held through OCH, Brookfield Oaktree Holdings, LLC and related entities. Brookfield and Oaktree operate their respective investment businesses largely independently, with each operating under its own brand and led by its own management and investment teams, and Oaktree and Brookfield generally managing their investment operations independently of each other subject to an information barrier between the firms. Oaktree does not consider Brookfield or its affiliates to be its "advisory affiliates" or "related persons" for purposes of this Form ADV. For more information regarding Brookfield and its affiliates, please refer to the Form ADV of Brookfield affiliated investment advisers: BAM Credit and Insurance Solutions Advisor LLC (CRD # 312792), Brookfield Asset Management Private Institutional Capital Adviser (BMG), LLC (CRD # 312797), Brookfield Asset Management Private Institutional Capital Adviser (Canada), LP (CRD # 151605), Brookfield Asset Management Private Institutional Capital Adviser US, LLC (CRD # 151599), Brookfield Renewable Energy Group LLC (CRD # 316590), Brookfield Asset Management Private Institutional Capital Adviser (Private Equity), L.P. (CRD # 171207), and Brookfield Public Securities Group LLC (CRD # 110497). Oaktree Capital Group Holdings, L.P. ("OCGH") holds 100% of the Class B units of OCH which, during the period (the "Initial Period", which is more specifically described in the Form 8-K filed October 4, 2019, available through EDGAR) from September 30, 2019 through the date on which Brookfield delivers a written election to end the Initial Period (which election cannot be delivered before September 30, 2026 unless certain events occur before then), entitle OCGH to 10 votes per Class B unit on all matters to be submitted to a vote of the OCH members. In addition, during the Initial Period, the board of directors of OCH is comprised of two individuals selected by OCGH, two selected by Brookfield, and the remaining directors nominated by OCGH and subject to joint written appointment by each of OCGH and Brookfield. As a result, during the Initial Period, OCGH controls OCH and, indirectly, the Registrant, although OCH is prohibited from taking certain actions without the consent of Brookfield. On October 13, 2025 Brookfield announced that they have agreed on a proposed transaction whereby Brookfield will acquire the remaining equity in Oaktree that it does not already own such that, upon completion of the proposed transaction, Brookfield will own 100% of Oaktree. The transaction is expected to close in the first half of 2026, subject to regulatory approvals. Upon the closing of the Pending Transaction the Initial Period will end, OCGH will cease to have a voting interest in OCH and Brookfield will control Oaktree's business. The General Partner of the Limited Partnerships listed in Section 7.B.(1) of Schedule D has the authority to waive the minimum investment requirement. Some of the Limited Partnerships for which the Registrant acts as General Partner or Investment Adviser are closed-end limited partnerships. As such, clients are not solicited to invest in such closed-end limited partnerships after the final closing has occurred. We have excluded from our disclosure limited partnerships and/or limited liability companies organized and operated solely for the benefit of our employees as well as any special purpose vehicles that were formed in relation to a specific investment or private fund. For certain private funds reported in Section 7.B.(1) of schedule D that are denominated in non-USD currencies, the Gross Asset Value and minimum investment commitment values have been converted to USD for purposes of reporting. For all private funds reported in Section 7.B.(1), the Gross Asset Value has been rounded to the nearest thousands. For purposes of Item 5: Information About Your Advisory Business – Regulatory Assets Under Management, Oaktree advises certain funds of funds that invest solely in other private funds advised by Oaktree, as noted in Section 7.B.(1) of Schedule D. for purposes of calculating Regulatory Assets Under Management as reported in Item 5 and reporting of the Gross Asset Value of private funds in Section 7.B.(1) of Schedule D, the limited partner interests held in the other Oaktree private funds by the funds of funds have been excluded from the Gross Asset Values of such funds of funds. As such, the Gross Asset Value of such funds of funds may be reported as zero in Schedule D, Item 7.B.(1), if such funds of funds have no other assets other than the limited partner interests in the other Oaktree private funds. In addition, feeder funds are consolidated with the main fund to which they relate for purposes of financial statement reporting. Therefore, for purposes of reporting Gross Asset Values for feeder funds requiring separate reporting from the main fund in Schedule D, Item 7.B.(1), the Gross Asset Value for the feeder fund is included in Gross Asset Value for the associated main fund and has been reported separately for each such feeder fund. For purposes of calculating the gross asset values in Schedule D, Item 7.B.(1), any uncalled commitment amounts are not included for each relevant private fund. For purposes of reporting beneficial owners, for the feeder funds requiring separate reporting from the main fund in Schedule D, Item 7.B.(1), the number of beneficial owners for the feeder fund is included in the beneficial owner value for the associated main fund and has been reported separately for each such feeder fund. All funds with financial statements subject to an annual audit, listed on Schedule D, Section 7.B.(1), are audited by the same overarching auditing firm; however, in circumstances where the main fund and feeder fund are audited by entities of such auditing firm in separate jurisdictions, the specific entity auditing the feeder is not separately disclosed. The General Partner of certain private funds reported in Section 7.B.(1) may make an investment through an Oaktree or Oaktree affiliate-managed Alternative Investment Vehicle ("AIV"). Each AIV is governed by organizational documents containing provisions substantially similar to those of the fund to which they relate. Investments made through the AIVs are funded by contributions either directly to these entities or contributions to the funds to which they relate that are subsequently transferred to the AIV, such that in both cases investors

will directly own a limited partnership interest in the AIV. Financial results for each AIV are reported on a consolidated basis with the fund to which they relate. For certain private funds listed in Schedule D, Section 7.B.(1) that are securitized asset funds, senior noteholders are treated as creditors while the income noteholders (who possess an equity-like claim on fund assets) are treated as beneficial owners of the fund for purposes of Ownership questions 13-16. In addition, for certain securitized asset funds, registrant has responded "No" to questions 23(G) and (H) due to the fact that such private funds do not obtain unaudited financial statements and thus the questions are not applicable. For certain master funds included in Section 7.B.(1) that are part of master-feeder arrangements, we do not solicit clients to invest at the master fund level and therefore have answered "No" for Question A.19 of Section 7.B.(1) for those master funds. However, as the marketing materials and private placement memorandums include information regarding the fund complex as a whole (i.e. the master fund in a master-feeder arrangement appears in such documents along with the relevant feeder funds, even though no investors can invest directly in the master fund and may only invest in the fund complex through a feeder fund), we have answered "Yes" for Question B.28.(a) of Section 7.B.(1) for those master funds. For any other-than-annual amendment where we are adding private fund(s) to Section 7.B.(1) of Schedule D, the data reported is as of the last day of the prior fiscal quarter month end date. All other responses are as of the last day of the prior fiscal year. Please note that Oaktree Gardens OLP SPV, LP included in Section 7.B.(1) is a feeder fund to the Oaktree Gardens OLP, LLC which is a BDC managed by Oaktree Fund Advisors, LLC. This feeder fund has been excluded from Regulatory Assets Under Management as those assets are reported in the Regulatory Assets Under Management for Oaktree Fund Advisors, LLC. Each of Oaktree CLO Management Company, LLC and Oaktree European CLO Management Company, LLC (the "CLO Managers") is a relying adviser structured as a limited liability company with multiple series. Oaktree Capital Management, LP is the direct owner of the management series of each CLO Manager. The other series of the CLO Managers represents passive interests that do not confer control over the investment advisory activities of a CLO Manager. Oaktree CLO Management Company, LLC. Accordingly, the owners of such other series have not been listed as direct owners in Section 4.A.2.
