You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

You may use the space below to explain a response to an Item or to provide any other information.

Data herein is as of December 31, 2025 with the exception of employee headcount which is as of March 1, 2026. Master funds and their feeder funds are each counted as a Client herein. The AUM of the Crown Point CLOs listed are based on the following inputs: (i) the mark-to-market value of the underlying loans collateralizing each CLO; (ii) the value of any principal cash on hand; and (iii) the value of any interest collections, accrued interest and trade receivables, in each case (of the foregoing clauses (i) – (iii)), as of the last day of the reporting period. In addition, with respect to the Crown Point CLOs listed in section 7.B., Schedule D, the Registrant and its affiliates have little to no visibility on the underlying investors in the collateralized loan vehicles it manages. Thus, we are unable to provide certain information on the composition of the investors (e.g., number of beneficial owners, number of fund of funds investors, number of non-U.S. investors, etc.) and have included "0" (zero) in our response to those questions. In calculating RAUM, certain private funds managed by the Registrant invest in CLOS managed by the Relying Adviser, which results in the double-counting of certain assets.
