Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Affiliates. Pursuant to the January 18, 2012 no-action letter to the American Bar Association, the General Partners and Managers for each Fund, as defined in Fund governing documents, are not required to separately register as investment advisers because such entities are under the supervision and control of the filing adviser and all of the persons acting on behalf of such entities are associated persons of the filing adviser. Such entities are identified in Section 7.A. The executive officers and owners for such entities are the same as those listed for the primary adviser on Schedules A and B and responses to the questions in the form include information concerning such entities. Schedule A. The following individuals listed on Schedule A do not have middle names: Daniel Ades, Alexandre Saverin. Schedule B. The following individuals listed on Schedule B do not have middle names: Daniel Ades. Schedule D. Section 7.B. (1). The officer documents for some real estate funds were updated to clarify that such funds have at all relevant times relied upon the exclusion from the definition from “investment company” provided by Section 3(c)5 of the Investment Company Act of 1940, as amended, and were not intended to be offered as pooled vehicles managing securities portfolios under 3(c)1 or 3(c)7. Corresponding Form D documents were updated prior to the filing of this amendment of the Form ADV. The amendments reflected herein are intended solely to conform and clarify the Adviser’s disclosure regarding the applicable disclosure relied upon by such funds. The response to Item 5.D.(f) includes pooled investment vehicles that are not private funds as defined in Item 7.B.
