SECTION 5.K.(1) Separately Managed Accounts

After subtracting the amounts reported in Item 5.D.(3)(d)-(f) from your total regulatory assets under management, indicate the approximate percentage of this remaining amount attributable to each of the following categories of assets. If the remaining amount is at least $10 billion in regulatory assets under management, complete Question (a). If the remaining amount is less than $10 billion in regulatory assets under management, complete Question (b).

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Section 1.I of Schedule D – The Adviser markets its investment advisory services through the marketing name, J.P. Morgan Asset Management, which has a global geo-targeted handle on LinkedIn, which redirects users in each country to content applicable to their location. Item 5.D – Certain separately managed account (“SMA”) clients’ assets are invested in investment companies and other pooled investment vehicles that are also managed by the Adviser. These assets are included in the regulatory assets under management ("RAUM") reported in SMA client types (i.e., Item 5.D(3)(a)-(c) and (g)-(n)), as well as the RAUM reported in the investment companies and pooled investment vehicles client types (Item 5.D(3)(d) and (f)). Items 5, 9.A, 9.B, and Section 7.B of Schedule D - Assets are generally presented as of 12/31/25, but may be provided as of the last available valuation. The methodology for calculating assets for the Form ADV may be different from the methodology used in other external reporting, due to differences in the applicable requirements for such reports. Section 5.K.(3) – In responding to this Section, the Adviser has, to the best of its knowledge, combined the affiliated entities of each custodian that collectively hold ten percent or more of the Adviser's aggregate SMA RAUM. Section 7.A of Schedule D - The Adviser has related persons that are not included in Section 7.A of Schedule D because the Adviser (1) has no business dealings with the related person in connection with advisory services the Adviser provides to the Adviser's clients; (2) does not conduct shared operations with the related person; (3) does not refer clients or business to the related person, and the related person does not refer prospective clients or business to the Adviser; (4) does not share supervised persons or premises with the related person; and (5) has no reason to believe that the Adviser's relationship with the related person otherwise creates a conflict of interest with the Adviser's clients. A supplementary list of these related persons is available on request. Section 7.A of Schedule D – JPMorgan Chase Bank, N.A. operates branches in international locations, some of which act as qualified custodians to certain clients of the Adviser. Such branches are overseen by local regulators. Section 7.B of Schedule D - For certain private funds, the Adviser is not able to provide all of the requested information as the Adviser does not have access to such information. For these private funds, the Adviser has provided information that was available to it. For certain private funds, the Adviser obtains information from third parties without independent verification. In addition, for EO V CIP Cayman LP (PFID 805-4189389210), the minimum investment commitment required of an investor in the private fund is converted from Euros to USD using the 12/31/25 conversion rate. With respect to the private fund, GT A LTAF Holdings L.P. (805-5703152208), responses to questions in Section 7.B.(1) reflect that there was no financial activity in the fund in FY 2025.
