2. Indirect Owners. With respect to each owner listed on Schedule A (except individual owners), list below:

For purposes of this Schedule, a *person* beneficially owns any securities: (i) owned by his/her child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, sharing the same residence; or (ii) that he/she has the right to acquire, within 60 days, through the exercise of any option, warrant, or right to purchase the security.

(b) in the case of an owner that is a partnership, all general partners and those limited and special partners that have the right to receive upon dissolution, or have contributed, 25% or more of the partnership's capital;

(d) in the case of an owner that is a limited liability company ("LLC"), (i) those members that have the right to receive upon dissolution, or have contributed, 25% or more of the LLC's capital, and (ii) if managed by elected managers, all elected managers.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

At this time, General Atlantic Service Company, L.P. (together with its relying advisers, “GASC”) is filing its annual amendment. Capitalized terms shall have the meaning set forth in GASC’s Brochure. (1) The information presented in this Part 1 is as of March 1, 2026, except for the following responses, which are as of December 31, 2025: Item 5.C(1), 5.C(2), 5.D(1) and 5.D(3); Item 5.F(2)(a)/(d) and (c)/(f); Item 5.F(3); Item 5.K(2); Item 9.B(2)(a)/(b); Item 9.F; Schedule D, Section 7.B(1). With respect to Madison Park Investments, LLC (“MPI”) and Steamboat Park Investments, LLC (“SPI), the response for Schedule D, Section 7.B(1), Question 11 reflects the gross asset value of MPI and SPI as of September 30, 2025. (2) The Core Program Partnerships (as described in GASC’s Brochure) are included on Schedule D, Section 7.B(1) as private funds to provide information about GA’s Core Program as a whole; however, they are not traditional private fund clients as investors (i.e., Core Program Limited Partners) do not subscribe directly to them and there is no offering memorandum for any individual Core Program Partnership, only for the Core Program as a whole. Core Program Partnerships are used to aggregate capital from Core Program Limited Partners to facilitate investments in Core Program portfolio companies. However, over the life of a commitment, a Core Program Limited Partner will participate in investments through multiple Core Program Partnerships. Consequently, no single Core Program Partnership is invested in every portfolio investment in the Core Program and an individual Core Program Limited Partner will not participate in all investments made by a given Core Program Partnership. As a result, the private fund-level metrics provided in Schedule D, Section 7.B(1) of Core Program Partnerships do not reflect the actual gross asset value of any single Core Program Limited Partner. The Core Program Limited Partners receive individualized statements and reports that reflect the performance of their investment portfolio, as spread out over multiple Core Program Partnerships, because GASC believes that statements and reports for the Core Program Partnerships as a whole would not be meaningful or relevant to them. For the avoidance of doubt, the number of clients and respective amount of RAUM disclosed in Item 5.D (including in Item 5.D(1)/(3)(f) – pooled investment vehicles) represents the number of Core Program Limited Partners (i.e., “clients”) who have entered into Commitment Agreements with GASC and GA LP, as well as GASC’s other private fund clients. Whereas, the number of accounts disclosed in Item 5.F(2) reflect the number of Core Program Partnerships and other private funds managed by GASC. (4) Item 5.K. While certain Core Program Limited Partners enter into separate Commitment Agreements, GA LP and GASC do not provide individualized investment advice for each separate Core Program Limited Partner (and the Core Program Limited Partners only invest in the Core Program Partnerships on a go-forward basis). However, because Core Program Limited Partners are counted as a separate "client" for the purpose of the Form ADV, the Registrant has reported values in Items 5.D(1)(a) / (c) and (g) / (n) and Item 5.D(3)(a) / (c) and (g) / (n). As a result, the Registrant completed the questions in Item 5.K, even though it does not believe it manages separately managed accounts. See also note on Item 5.K(4) below. (5) Certain of the entities identified in Schedule D, Section 7.A are general partners of the Registrant’s private funds and Core Program Partnerships and are related persons of the Registrant. In reliance on the position expressed in the SEC staff’s No-Action Letter to the American Bar Association, Subcommittee on Private Investment Entities, dated December 8, 2005 (the “ABA No-Action Letter”), each such related person is deemed to rely on and be covered by the Registrant’s registration. (6) With respect to the questions regarding GASC’s related persons in Schedule D, Section 7.A, no portfolio companies of GASC’s Clients have been included in Schedule D, Section 7.A, although such portfolio companies currently include broker-dealers, other investment advisers and insurance companies, because such portfolio companies are operated by management teams that are independent of GASC. In certain cases, Supervised Persons of GASC sit on the board or committees of these portfolio companies. Notwithstanding the foregoing, GASC believes that such portfolio companies are not material to GASC’s advisory business or its Clients (other than their being portfolio companies) and do not create a material conflict of interest with GASC or its clients. GASC will provide a list of such portfolio companies upon request. (7) Schedule A: GASC is 100% owned directly and indirectly by General Atlantic Partners, LP (“GA Partners”). GASC GP LLC (“GASC GP”) is the general partner of GASC, which is wholly owned and controlled by GASC MGP, LLC (“GASC MGP”). GA GenPar Holdco (Bermuda), L.P. (“GA Bermuda”) and General Atlantic Management Holdco, L.P. (“GA Management Holdco”) own over 25% of GA Partners. GA Bermuda and GA Management Holdco are ultimately controlled by GASC MGP. GASC MGP is controlled by the Partnership Committee (formerly called the Management Committee). The Partnership Committee (i) oversees, manages and controls the affairs and business of GASC and (ii) primarily determines the strategic policy decisions of GASC MGP. Schedule A lists GASC GP, GA Partners, the Partnership and Executive Committee as of October 1, 2024, and executive officers of General Atlantic. Schedule B lists the entities that own and control GA Partners and the members of the Partnership Committee, which control GASC MGP. (9) Schedule D, Section 7.B(1), Question 12. The minimum commitment amount reported for certain private funds is the minimum amount that is or was generally accepted from investors, provided, however, that GASC has the authority to accept commitments of lessor amounts. (10) Schedule D, Section 7.B(1), Question 13. For any funds that were formed to allow GA employees to invest alongside the investment vehicles being offered to third party clients, beneficial owners were generally counted in accordance with the exclusion for investment companies under Section 3(c)(1) of the Investment Company Act of 1940, as amended (the “Company Act”), even if the private fund is excluded from the definition of investment company under Section 3(c)(7) of the Company Act. Meaning, investors who were knowledgeable employees or qualified purchasers at the time they invested were not counted as beneficial owners of that private fund. (11) In Schedule D, Section 7.B(1), Question 15(b), the Registrant answered "no" for certain private funds because the Registrant does not receive performance-based compensation from the investors in those private funds. (12) Schedule D, Section 7.B(1), Question 19. Certain of the private funds listed are alternative investment vehicles (“AIVs”) that were formed for the purpose of legal or tax structuring for a particular transaction or set of transactions. Since clients were not directly solicited to invest in those AIVs, the Registrant checked “No” to this question. Further, since GASC does not solicit investors to participate in AIVs/SPVs, the minimum commitment amount was listed as \$0. (13) Schedule D, Section 7.B(1), Question 25. The securities held with certain of the custodians listed for certain of the Core Program Partnerships may be held in the name of an affiliated special purpose vehicle instead of in the name of the private fund listed. As a result, it is impracticable for the Registrant to attribute RAUM to specific custodians by client for the purpose of Item 5.K(4). (14) Schedule D, Section 7.B(1), Question 28. Reflects all placement agents currently retained by the private fund during the fundraising period, even if no capital was raised by the placement agent. Once a private fund has held its final close, placement agents are removed.
