SECTION 5.K.(1) Separately Managed Accounts

After subtracting the amounts reported in Item 5.D.(3)(d)-(f) from your total regulatory assets under management, indicate the approximate percentage of this remaining amount attributable to each of the following categories of assets. If the remaining amount is at least \$10 billion in regulatory assets under management, complete Question (a). If the remaining amount is less than \$10 billion in regulatory assets under management, complete Question (b).

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

	Yes	No

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Item 5F(2)(b): IFM Investors Pty Ltd (the “Registrant”) provides non-discretionary advisory services to the IFM Global Infrastructure Fund (the "Master Fund"), a Cayman Islands unit trust with an appointed trustee. As the trustee is the legal owner of the assets comprising the Master Fund, it has the authority to approve investments made by the Master Fund. The Registrant reports such regulatory assets under management within the Form ADV as non-discretionary because the trustee is required to provide the aforementioned approval for each investment and therefore, the Registrant does not have full discretionary authority of the securities purchased and sold for the Master Fund. Section 7.A: There are certain related persons who are not listed because the Registrant: 1) does not have any business dealings with the related persons in connection with advisory services provided to its clients; 2) does not conduct shared operations with the related persons; 3) does not refer clients or business to the related persons and the related persons do not refer prospective clients or business to the Registrant; 4) does not share supervised persons or premises with the related persons; and 5) has no reason to believe that the relationship with the related persons otherwise creates a conflict of interest with the Registrant’s clients. The Registrant will provide a copy of the list of such related persons upon request. Section 7.B.(1), Q. 10: IFM Australian Infrastructure Wholesale Fund A, IFM Australian Infrastructure Wholesale Fund B, IFM Global Infrastructure Fund, IFM U.S. Infrastructure Debt Fund, L.P., IFM USIDF (Offshore) B, L.P., and IFM Net Zero Infrastructure Fund SCSp are private equity or private debt funds based on common industry terminology and their business model and strategies. However, they qualify as hedge funds solely for purposes of the SEC's post Dodd-Frank definitional rules. Item 9: The principal place of business of IFM is not in the United States and is thus not subject to Rule 206(4)-2 of the Advisers Act (the “Custody Rule”) with respect to the Managed Accounts and certain of the Funds that are not US persons (as defined in Regulation S under the Securities Act of 1933), as per ABA Subcommittee on Private Investment Entities, SEC Staff No-Action Letter (Aug. 10, 2006).
