- A. Approximately how many employees do you have? Include full- and part-time employees but do not include any clerical workers.

- B. (1) Approximately how many of the *employees* reported in 5.A. perform investment advisory functions (including research)?

However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

In determining your or another <i>person's</i> total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with

subsidiaries included, if that amount is larger).
