- Schedule D - Miscellaneous
- You may use the space below to explain a response to an Item or to provide any other information.

Item 5.A and 5.B - The Adviser’s board of directors has appointed certain employees of the Adviser’s affiliates as officers of the Adviser. However, the Adviser does not itself have any employees. The responses to Items 5.A and 5.B are with respect to the Adviser’s Supervised Persons. Item 5.D, 5.F and Section 7.B of Schedule D - The methodology for calculating assets for the Form ADV may be different from the methodology used in other external reporting, due to differences in the applicable requirements for such reports. In accordance with the contractual terms of the Adviser’s relationship with its remaining client, the Adviser’s authorities are limited such that the Adviser’s regulatory assets under management with respect to such client are zero notwithstanding the ongoing contractual relationship. Section 7.A of Schedule D - The Adviser has related persons that are not included in Section 7.A of Schedule D because the Adviser (1) has no business dealings with the related person in connection with advisory services the Adviser provides to the Adviser's clients; (2) does not conduct shared operations with the related person; (3) does not refer clients or business to the related person, and the related person does not refer prospective clients or business to the Adviser; (4) does not share supervised persons or premises with the related person; and (5) has no reason to believe that the Adviser's relationship with the related person otherwise creates a conflict of interest with the Adviser's clients. A supplementary list of these related persons is available on request. Section 7.B of Schedule D - The private fund listed in Section 7.B(1) of Schedule D is a collateralized debt obligation ("CDO") vehicle for which the Adviser serves as collateral manager. The Adviser does not have custody of the assets in that vehicle, which also is currently subject default and acceleration. The Adviser made a good faith effort to provide complete and accurate information with respect to that vehicle. However, certain information regarding the CDO is not available due to a combination of factors including the nature of the vehicle, its establishment prior to 2008 and the current status of the vehicle. As a result, where the Adviser does not have the information requested and is unable to make a good faith estimate, but the Adviser is required to provide a numeric value in response to a question in order to submit this filing through the IARD system, the Adviser has stated the answer is "0". Additional information can be furnished upon request. For the private fund, the Adviser obtains information from third parties without independent verification.
